

Cal Sag Trail Blues

Took my bike down to the Cal Sag
But I couldn't find no place to wail
Yeah, I took my bike down to the Cal Sag baby
But I couldn't find no place to wail
So give some dough to the Friends of Cal Sag
And get my ass out on a trail

Want to get from Palos to Cal City
From Burnham to Blue Isle
Want to get my bottom on a trail
With a triple bottom line

Took my bike over to Alsip
But I couldn't get down to Lemont
Took my bike on over to Dolton baby
But I just couldn't get down to Lemont
So give some dough to the Friends of Cal Sag
And let me ride down where I want

You see trails are like time machines
Riding puts years back on your life
Fund the Cal Sag and make me younger
At 21 minutes a mile

I'm on my bike over in Hammond
But my baby's across the state line
Yeah, I'm on my bike way over in Hammond
But my baby's across the state line
So give some dough to the Friends of Cal Sag
And build me a trail to that baby of mine
I said please give some dough to the Friends of the Cal Sag Trail
And build me a trail to leave these Cal Sag blues behind
