

## The Problem:

### Bike Lanes Painted in Door Zones Cause Death & Serious Injury

PLEASE CHECK YOUR MIRRORS  
BEFORE EXITING YOUR VEHICLE

#### Solutions:

If you are driving:

- \* Always Look before exiting your vehicle (Avoid \$500 Fine)

If you are biking:

- \* Always ride outside the door zone

- \* Safely take the lane if you need to do so in order to ride outside the door zone, it is your legal right

Anytime:

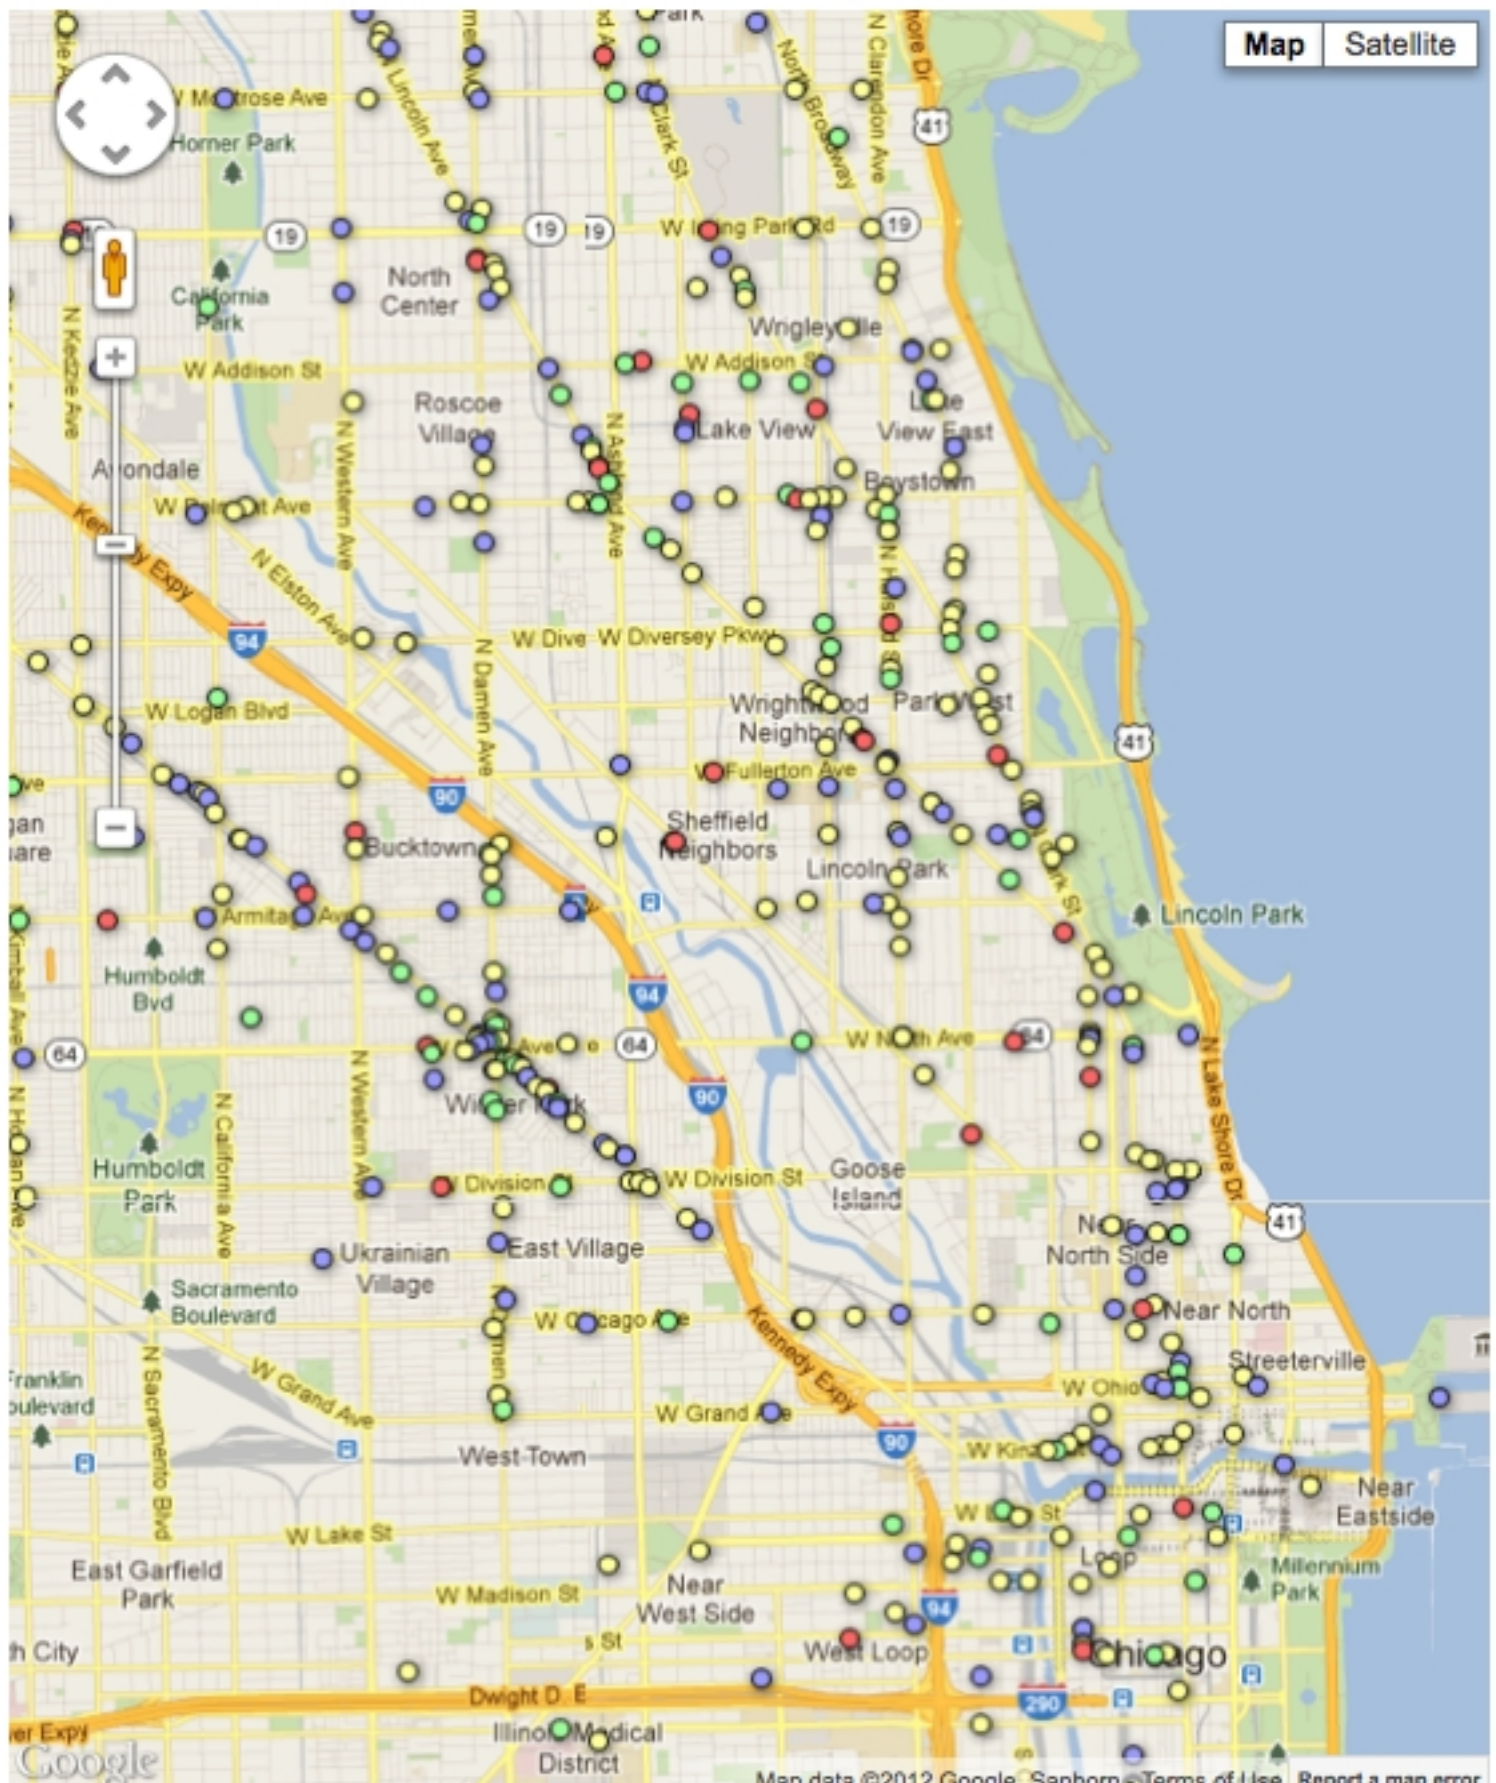

- \* Sign this petition: <http://www.activetrans.org/bikeways>

- \* Write your alderman and tell them you support protected bike lanes

*In Memory of Neill Townsend, Clint Miceli And All Dooring Victims*

577 Doorings Occurred from 2009 through September 7, 2012 (map provided by WBEZ)

● Incapacitating injury    ● Non-incapacitating injury    ● Injury reported, not evident    ● No Injury
