Sporting a tweed and leather exterior, the **Star Fighter** from **BoomCase** is a cream-colored music pumping monster. Featuring four 6.5" woofers, two 4" full range speaker and one **rare super-horn tweeter**, this party-in-a-case pushes out a formidable **400 Watts of power**. And Each BoomCase design connects to any playback device (like your iPod or cell phone) with the provided 3.5mm input cable. Best of all: the rechargeable battery with power level indicator will **keep your friends dub-stepping and floor punching** for more than ten hours!

More Details
